Cemetery information

Minutes from meetings

Township history

Township ordinances and policies

Notary service

Important updates

Hall rental information

NEWS & UPDATES

Visit our Facebook page by going to: "Norwich Township Newaygo" and click "follow." This is a great way to get updates on what is happening in the township or events at the township hall. Other important items will also be shared on the Facebook page.

Our annual township clean-up day is always the second Saturday in June, from 8 a.m. to noon, at the township hall. It is for township residents and property owners only. See website for details.

As mentioned in the previous newsletter, we have observed several ordinance

violations in the township. Please view the township ordinances on our webpage, particularly with regards to campers, to ensure compliance. Thank you for your help in maintaining a clean and healthy township for all of us!

Our township hall building has had some nice updates in the past few months. In addition to building and cemetery maintenance projects, we also implemented energy efficient lighting! We have Trustream internet, TV use with hall rental, and new decor. The township hall is available to rent for residents and non-residents. It's great for holding celebrations and meetings. Consider renting it for your next event. If you have not been by the building recently, come in and check it out!

Several road improvement projects happened over the summer. We are working on a multi-year plan to maintain a quality road system in close conjunction with the Newaygo County Road Commission.

All board members have also undergone MTA training in an outstanding effort to keep up with current regulations and policies.

Thank you to those of you that submitted our township citizen survey. We will be using the results to guide our decision making process.

If you have any questions, suggestions or comments, please reach out to one of our township board members.
