Meeting dates and agendas

Cemetery information

Minutes from meetings

Township history

Township ordinances and policies

Year in review

Important updates

Hall rental information

NEWS & UPDATES

Our annual township clean-up day is always the second Saturday in June, from 8 a.m. to noon, at the township hall. It is for township residents and property owners only. See website for details.

We have observed several ordinance violations in the township. We want to maintain a clean and healthy township for all of us. If you think that you might be in violation of our zoning or camping ordinances, please view our township ordinances on our webpage.

Our township hall has had some nice updates in the past few months. We have Trustream internet, TV use with hall rental, and new decor and lighting. The township hall is available to rent for residents and non-residents. It's great for holding celebrations and meetings. Check it out for your next event. If you have not attended a township meeting, voted in a recent election, or attended a community event at the hall, come in and check it out.

Visit our Facebook page by going to: "Norwich Township Newaygo" and click "follow." This is a great way to get updates on what is happening in the township. Items such as the 55+ group, family nights at the township hall, and any other important items will be shared on the Facebook page.

Several road improvement projects will be happening over the summer. Please be patient as the construction occurs. We are working on a multi-year plan to maintain a quality road system in our township.

The planning board is sending out a township citizen survey. Your input is very important to guide the township. We want your voice to be heard. Please fill out and return your survey. Your opinion matters!!

If you have any questions, suggestions or comments, please reach out to one of our township board members.
